

Press Release

Hello,

Many of you have expressed their eagerness for the reopening of our art space L'Ecole des filles. In accordance with the new security standards, our art space will open its doors on Tuesday the 21st of May at 2PM for a new exhibition : Bretagnes, l'Art en commun, where you can find artists that you have (re)discovered during the lockdown, via our email exchanges*.

During this anniversary day of the death of Victor Segalen, Christian Doumet, in charge of the publication of the work of the poet in La Pléiade, will hold an unprecedented conference in our art space.
